IN MEMORIAM

Mary Margaret Naughton
Class of '83
September 13, 1965-January 15, 1990

Lots of things have happened since you went away,
Things you could have shared with us if God had let you stay.
Sometimes we sit and wonder why life must be this way,
How one so good and innocent must have the shortest stay.
Each time we see your picture, you seem to smile and say:
"Don't cry, I'm only sleeping; we'll meet again some day."
The sun will rise and dry each tear,
For we'll never forget the one we loved so dear.

The class of '90 takes the opportunity to dedicate this year's TIOT to John P. Piccirilli who has been our principal throughout our High School years. Mr. Piccirilli began his career at Norwood High School in 1958, where he was well liked by his colleagues and the students. He excelled not only as a teacher but also as a coach of the ninth grade baseball team and was the assistant varsity cross-country coach along side Mr. Richardson.

After being appointed Vice-Principal in 1964, Mr. Piccirilli faced many new challenges. One challenge was the issue of "Open Campus." He viewed this as being too much freedom granted to the students. The structure was a nine period day with up to four periods off; slowly he changed the system to what now exists today.

When asked, Mr. Piccirilli said his most memorable moments at Norwood High School were the state championships which involved the hockey and football teams. The hockey team defeated long time rival Arlington in front of one third of the Norwood High School student body at the Boston Garden in 1972. The football team defeated Brockton and Arlington to bring the Super Bowl title to N.H.S. He also has many fond memories of individual performances in wrestling. Although many memorable students have graduated during his years, he mentions Sean Smith as an outstanding student, leader, and athlete with great potential.

The class of 1990 joins previous graduating classes in wishing Mr. Piccirilli a happy and joyful retirement.

DEDICATION

JOHN P. PICCIRILLI

Mr. Piccirilli received a Bachelor of Science from Bridgewater State College with a major in math. In 1958, Mr. Piccirilli was appointed to a teaching position at Norwood Senior High School. While teaching at the Senior High School, he enrolled in a graduate program at Boston University culminating with the award of Master of Education. Mr. Piccirilli further pursued more graduate training, and was able to obtain a second Master's degree from the University of New Hampshire. He was an excellent teacher, and very much admired by colleagues and students. Because of his outstanding abilities, Mr. Piccirilli was appointed as Vice-Principal of Norwood Senior High School in 1964. In 1976, Mr. Piccirilli was appointed as Principal of Norwood Senior High School, and began the task of developing the High School to the level of excellence that is currently known.

JUN

This year the Juniors showed their spirit during Norwood Pride Week. Many members of our class participated, and we had a great time. The hall looked fantastic, and we felt a vote recount was necessary! Another thing the Class of '91 did was begin the tradition of the "Winter Semi." On December 8, 1989, the Juniors and Seniors danced the night away at Glen Ellen Country Club. Everyone had a great time, and we received many compliments on our behavior. It was a night to remember. The Juniors would like to wish the Class of 1990 the best of luck in the future.

SOPHO

Sophomore year for the class of 1992 proved to be an exciting fun filled experience. No longer the lowest in the ranks at NHS, the class of '92 gained the confidence they needed to become an active part of school activities. Led by the class officers Nadine Francis, Marc Saulnier, Pete Win, Missy Flynn, Joe McCann, Sue Lary, and Steve Barrows, the sophomores placed second in the hall decoration contest during Pride Week at NHS. The sophomores also had a large representation on both varsity and junior varsity sports teams and in Norwood High's Student Council, Dianne DaCosta won the prize for best sophomore costume at the Student Council's Halloween Dance, dressed as a Coke can. The class of '92 has had a great year and is looking forward to junior year.

FRESH

The Freshman Class is making a smooth adjustment to NHS. Pride day set the tone. The Freshmen captured a highly unusual third place finish beating out the upperclassmen. We had decorated our halls with signs and streamers but, the highlight, no doubt, came with the hanging of a Dedham football player dangling in duress from the ceiling of NHS.

We have many various contributions to our class both in academics and athletics. We are looking forward to the new challenges we will face in our sophomore year.

The Academic Decathlon meets after school three times per week. Students are "coached" by various teachers in a variety of subject areas. This year's coaches were: Bob Baker (Super-Quiz, Indians), Paul Frost (Science), Beth Wheatley Dyson (Music), Pat Tilley and Pat Ingraham (Literature), Kathryn McQuinn (Math), and Bob Toll (History).

In November, students competed against over forty schools by taking multiple choice tests in each subject area. The Grand Finale was an oral Super-Quiz held in the gymnasium. Senior Sean Smith received a gold medal in science and a bronze medal in math. Sean also placed fourth overall.

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . Before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want to fill my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . HEADLINES

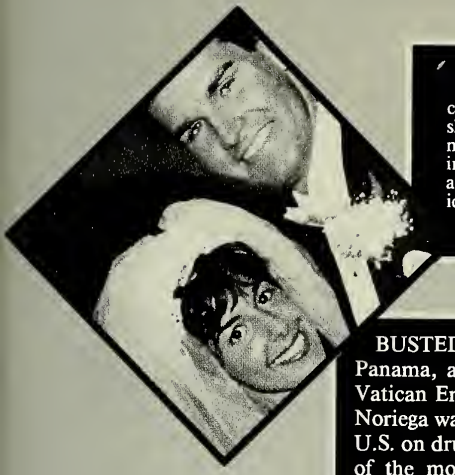
QUAKE! It wasn't the big one, and it wasn't 1906, but when the Earth stopped shaking in the San Francisco Bay area, at least 55 people were dead and hundreds injured. The World Series was postponed for two weeks, part of the Bay Bridge collapsed, and an interstate highway was demolished.

FREEDOM! The echoes of freedom rang throughout Eastern Europe in 1989-90. After 28 years, the Berlin Wall was demolished. It paved the way for reform in Romania, Poland, Czechoslovakia, and Hungary as well. Relations between the U.S. and the Soviet Union increased dramatically.



SHOCKED! In one of the most publicized crimes ever, the tale of Charles and Carol Stuart shocked Boston and the nation. After Carol was murdered and Charles shot leaving a hospital during Carol's pregnancy, there was a major outcry against city violence. Charles then committed suicide after it was learned he was the main suspect.

BUSTED! After the U.S. invasion of Panama, and after a lengthy stay at the Vatican Embassy, deposed leader Manuel Noriega was arrested and extradited to the U.S. on drug charges. Noriega became one of the most talked about and ridiculed people of 1990.

NHS YEAH!

I know we'll be friends for life
sharing our dreams together.
As we walk down the road
we'll never think twice.
These memories are made forever.
Though we're off to different worlds
somehow we're together
I know we're never far apart
because deep within our hearts
These are the times to remember
